## Mr. Richard Rogers

It is with sincere appreciation for his many contributions to Ahoskie High School that we proudly dedicate our 1967-68 yearbook to Mr. Richard Rogers. Mr. Rogers came to Ahoskie as we entered high school four years ago, and he has worked untiringly for the betterment of our school. He can be found in the laboratory assisting students with science projects almost any hour of the day or night. He has organized and coached a track team with an enviable record. Many students have received recognition who would have gone unnoticed except for the efforts of Mr. Rogers. Thanks to him, we have a group of students who have been trained to handle our visual aids as if they were professionals. Classrooms have been made more usable and attractive because of his willingness to share his time to install bulletin boards or bookcases.

We consider ourselves especially fortunate to have had him as an instructor, track coach, and friend. We shall long remember that he has served Ahoskie High School well.

## ***Administration***

# Administration provides vigorous leadership

Mr. Robert J. Alligood, Principal

The success of any program is dependent upon the attitudes and the abilities of those concerned. At this point, in my first year here as principal, there are some facets of our operation that are commendable. The attitudes of our faculty and student body have been superb. The cooperation that has been shown has been responsible for the friendly atmosphere in our school. The program, although demanding at times, has caused students to extend their abilities and to achieve consistent with their abilities. Generally there has been an appropriate ratio of work and play which indicates a healthy school atmosphere.

To those responsible for the production of the CHIEF, you have my congratulations on a job well done. Your untiring efforts and tenacious spirit has resulted in a publication that is a credit to Ahoskie High School.

To the Senior Class, you will be missed, but you carry with you the desire of everyone at Ahoskie High School that as you seek to find your place in society, you will draw from the rich experiences you had at our school and strive to make your contribution to our way of life. Congratulations to the class of 1967-1968.

Aided by his trusty "hotline" Coach Al Vaughan plans his warpath strategy.

The lone pigskin, poised for next year's action, reminds one of a stirring 1967 football season.

Winston King, 21, shows excellent broken-field running as he outwits Hertford pursuers.

Wary opponents close in on Ahoskie's Martin Hill as he eats up important yardages toward paydirt.

The Plymouth Panthers are no match for Ahsoskie's Joe Holloman (40) as he sprints his way for a touchdown to spur the Indians to victory!!

Oh, well . . . everybody can't play.

AHS students are known for their "rally" times!

# Indian Maidens

## 1968

FRONT: J. Wynn, N. Minton, B. Miller, P. Robinson, B. Howerton, S. Adnerson. STANDING: S. Gatling, S. Riddick, P. Melton, B. Callis, S. Cooper, C. Magette, L. Jones, J. Mathias, P. Lassiter, S. Felton, J. Weaver, J. Mitchell.

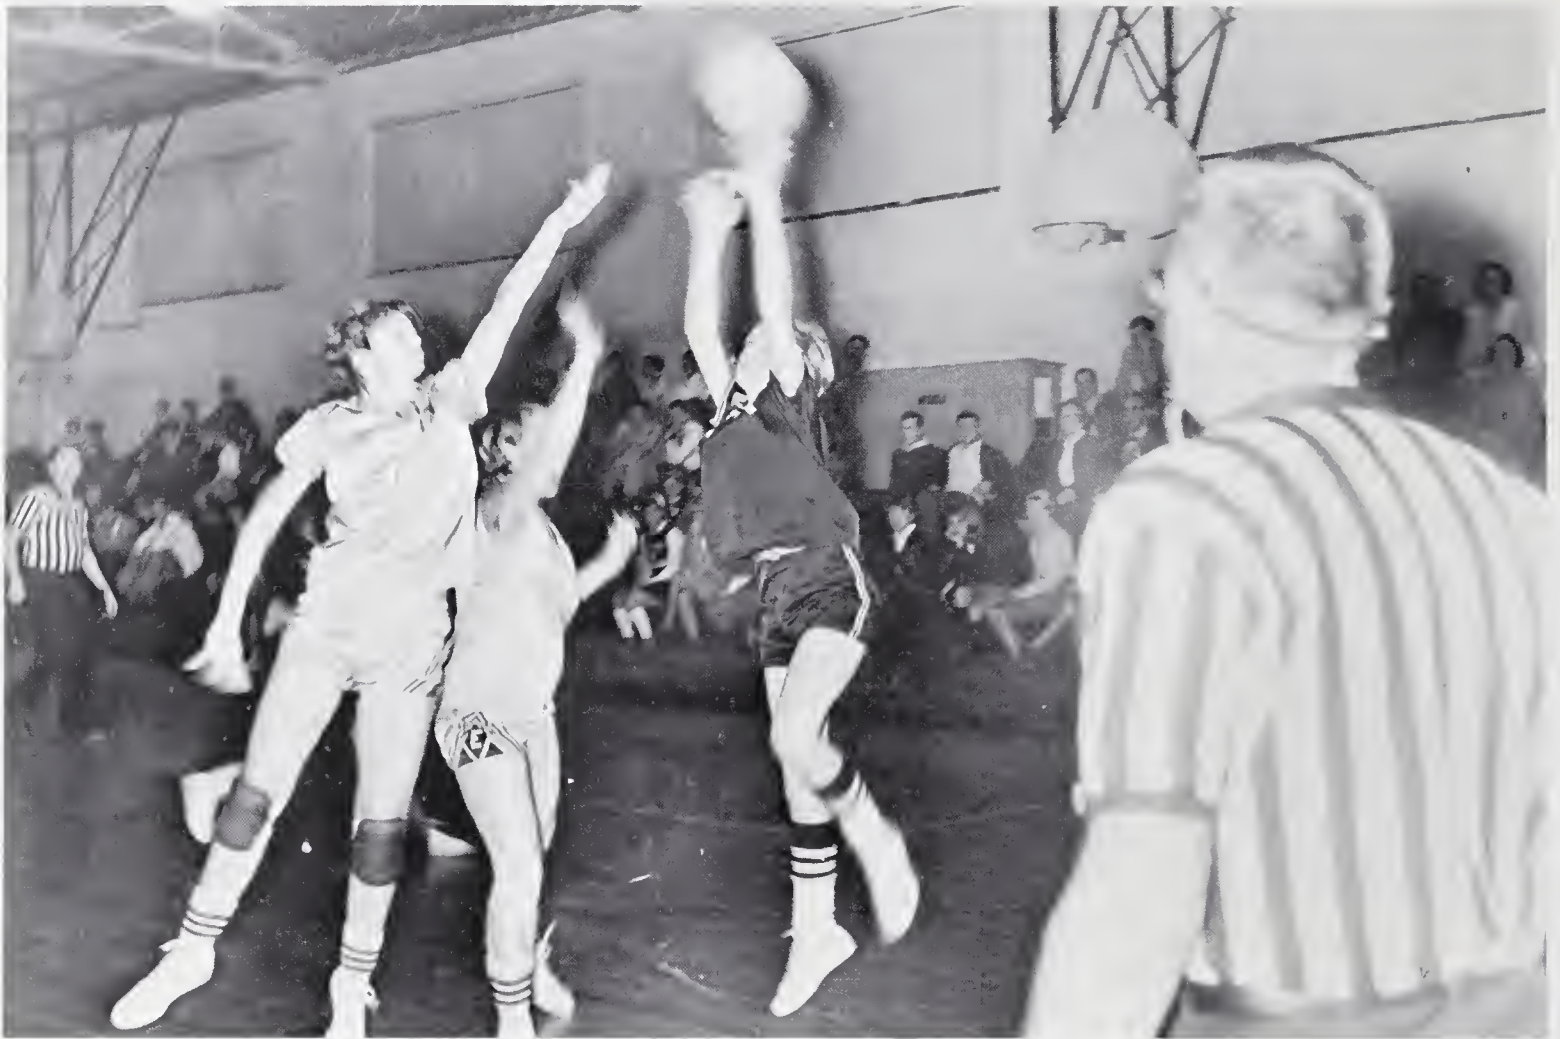

Shooting from the outside, Barbara Miller (20), sinks a breath-taking long shot!

Senior girls wonder if the ball was really made to go through that hoop!

Although the odds are two to one, Sherry Riddick (23), rips for two.

The Bertie Falcons aren't the only ones who can "soar up" for the rebound.

Not heeding her opponent's words, Miller (20), hits for two.

Sue Anderson (40) puts her form into action.

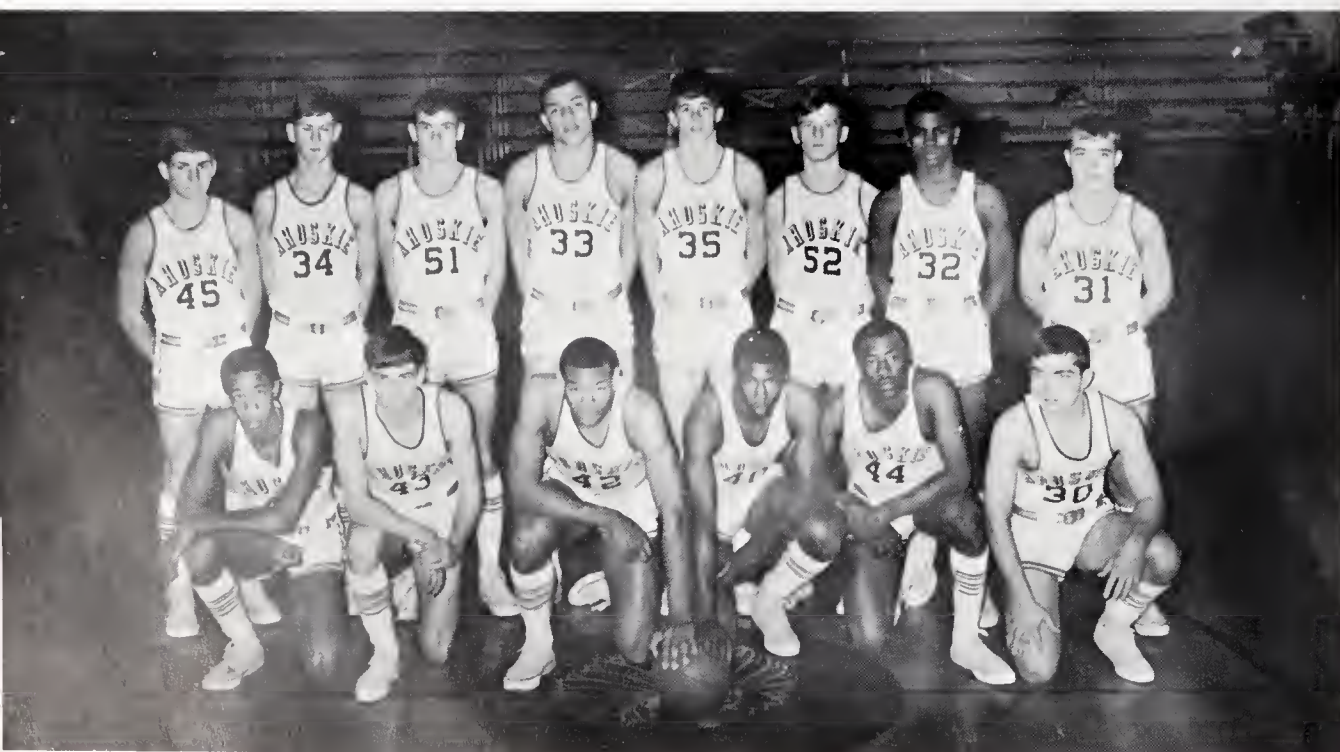

Joe Holloman (40) shoots for "two" despite blocking efforts of his foe.

# Indian Cagers 1968

## BASKETBALL

FRONT: D. Morris, M. Hill, C. G. Newsome, J. Holloman, R. Lewis, D. Overton. STAND-  
ING: C. Callis, C. Hughes, J. Bracy, C. Jones, R. Everett, S. Casper, B. Hill, G. Overton.

C. G. Newsome (42) rebounds against a tight Williamston guard.

"Let me have the ball" demands Ronnie Lewis (44) as he secures possession with that "extra" leap.

Coach Richard Murry holds Powwow with anxious Indian tribe.

In the clear for a set shot, David Overton (30) raises the score two points.

With a flip of his wrist, Joe Holloman rips the basket for another Indian score.

Two envious on-lookers poised helplessly, watch as Lewis (44) pours it on.

PRACTICE - Where it all begins!

... and the score goes up another two notches.

"Lew" (44) scoring from the outside does it again.

HIGH JUMPERS - Everett, Taylor, Dilday, Sharp, Everett.

SHOT PUT - Williford, Holloman, Lewis, and Guttu.

MILE RELAY - Holloman, Newsome, Sharp, Tucker.

BROAD JUMPERS - Lewis, Tucker, Merritt, Doughtie, Sharp.

SPRINTERS - Bracy, Newsome, Harrell, Holloman, Godwin.

HALF MILE RELAY - Hill, Wiggins, White, Futrell, Brown, B. Brown, and Bracy.

With that look of determination, Jimmy Williford heaves the shot put.

# CINDERMEN

They run, they jump, they throw, and they run ...

"Run for your life, Lew."

Stephen Gutto shows off his famous war dance in a practice session.

# INDIANS WIN TITLE

FRONT ROW: Helmkamp, Doughtie, Dunn, Overman, Sharp, Edwards, Darden, Slaughter, Lowe, Everett. SECOND ROW: Ellis, Turner, Ray, Peede, May, Perry, Hughes, Fairless. BACK ROW: Oliver, Overton, Eure, Callis, Roundy.

Ronald Dunn swings a mean bat at a practice session.

Fairless form found fame.

Waiting for the ball, Bobby Doughtie watches a daring Scotland Neck player slide into third.

Caught in the act Ronald Dunn hits a foul ball.

Paul Sharp races to third on a triple.

# The real AHS . . .

"There's a bomb in the building?" ...

"I think I'll keep it a secret!"

"Those Seniors! They would make anyone a nervous wreck!"

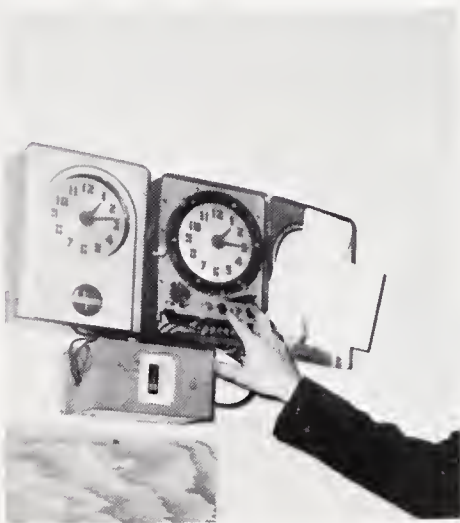

"You kids would give anybody gray hair!"

**. . . behind the scenes!**

"A going-away party! - Wonder which way they mean it?"

"Time passed. Did you?"

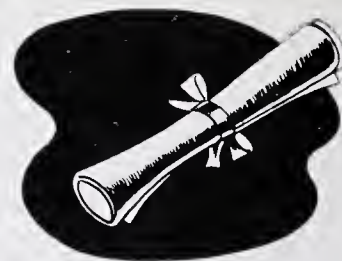

"I feel like I'm in a circus - waterboy for the elephants!"

"Suppose I'll ever be able to lift eight men and a table?"

The 1968 Annual Staff and its Editors would like to thank the faculty and the student body of Ahoskie High for the help which they have given. Special thanks go to Mr. Robert J. Alligood, Mrs. Janie Sams, Mr. Richard Rogers, Mrs. Lois Brett, The News-Herald, and Robinson's Studio.

Vepco's first commercial atomic power station is now under construction in Surry County, Virginia. In the new Information Center overlooking the site, you will see an excellent slide presentation, fascinating exhibits, and a working model of the reactor. (And from the balcony, you can watch them assemble the real thing.) Open 10 AM to 4 PM Monday through Saturday and 1 PM to 6 PM on Sunday. For tour information call 771-3194 in Richmond.
